Local government or ATSIC  
elections if you are on the

are choosing the person who  
makes decisions on things  
like jobs, health & land  
rights. Vote and help  
choose the right person.

# VOTING it isn't a waste of time

Choosing the right sort  
of person to represent you is  
never a waste of time. It's up to  
us to choose the person we  
want to speak for us and make  
decisions on our behalf
